

AF-550

5-25KG Automatic Big Bag Auger Filler

Main Components

- * Servo Motor: Panasonic
- * Reliable PLC: Siemens
- * Touch Panel: Siemens
- * Weighing System: France Imported one
- * Sensor: German HBM
- * Cylinder: Japan SMC
- * Inverter: Schneider
- * Level Sensor: Tuning Fork

Technical Data	AF-550
Metering Model:	by Screw+ by weighing
Packing Weight	5kg-25kg
Dosing Accuracy	± 10-30g(depend on actual product and filling speed)
Packing Speed	8-16 bags/min
Container Type	Kraft bag, Plastic bag
Power supply	single-phase 240V 50Hz
Power	6.2KW
Machine size	1372L*1095W*3000H
Machine Weight	800KG
