MagnaPress Tablet Press

The **MAGNAPress** Tablet Press is a reliable, versatile, double sided, high speed tableting machine. SaintyCo has optimised the press to achieve maximum performance with minimum wear.

Feature:

- Siemens PLC&HMI
- Contact parts 316L
- Up to 710,000 pcs/h
- Excellent performance with challenging high volume products such as Metformin and Amlodipin
- Quick product and format changes: tablet chute and fill shoe can be swung out - no tedious readjustments
- Few product contact parts: minimal cleaning effort
- Tool-less format change
- Optimal hygienic design
- Hermetical separation between compaction and service area
- Patented, closed punch bellows to prevent tablet contamination
